The following Bill, together with the Statement of Objects and Reasons, is published for the purpose of eliciting opinion. *A Bill further to amend the Modern  
Delf Concession Act, 1936.*

WHEREAS it is expedient further to amend the Madras Debt Conciliation Act, 1936, for the purposes herein-after appearing:

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature ;

Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows :—

Short title.

1. This Act may be called the Madras Debt Conciliation (Second Amendment) Act, 1936.

Amendment  
of section 55,  
Madras Act  
XI of 1936.

2. In section 10 of the Madras Debt Conciliation Act, 1936 (hereinafter referred to as the said Act)—

XI of 1936.

(i) for sub-section (2) the following sub-section shall be substituted, namely :—

Amendment  
of section 56,  
Madras Act  
XI of 1936.

4. In sub-clause (4) of clause (a) of section 19 of the said Act, after the words "discharged under", the words, letter and brackets "clause (b) of" shall be inserted.

5. Any debt deemed to have been duly discharged <sup>Trustees</sup> before the commencement of this Act under sub-section (2) of section 10 of the said Act shall, for the purpose of applying the said Act as amended by this Act to such debt, be deemed to have been duly discharged under clause (b) of sub-section (2) of section 10 of the said Act as amended by this Act.

#### STATEMENT OF OBJECTS AND REASONS.

Section 10 (1) of the Madras Debt Conciliation Act, 1936 (Madras Act XI of 1936) provides that if a creditor does not furnish the statement required by section 10 (1) of that Act in respect of any debt, it should be deemed to have been duly discharged. Under the section as it stands, even debts which are admitted by the debtor in his application would stand discharged if the creditor does not file the statement. It has been suggested that in such cases it should be sufficient if the creditor is not allowed to challenge the accuracy of the particulars as to the debt given in the debtor's application. The object of this Bill is to give effect to this suggestion. Where a debtor does not admit the debt in the particulars furnished by him, and the creditor does not file a statement, the debt will, as at present, be deemed to have been duly discharged.

Consequential amendments have been made in sections 10 (3), 14 (4) and 15 (a) (4) of the Act, and it has also been made clear that the existing Act will continue to apply in respect of debts deemed to have been duly discharged under section 10 (1) before the coming into operation of the Bill.

(By order of His Excellency the Governor)
